Additional gear and services supplied to over 1000
local and international productions over 18 years.

Remote video services, QTAKE multi camera, new Teradek 4K wireless kits, OLED, 10bit and Day Bright monitor options.
2 decades experience working on big sets and managing crews.

Our onset post services include digital dailies, offline editorial file creation, CDL pipelines from set to post, LTO archival services.
We offer Trusted Partner Network affiliation with a local post house for network approved security. We have provided these services to many US shows over many years from our custom vehicles.
We use Daylight, Silverstack and Davinci Resolve software.

Contact us to see how we can help your project or for a meeting.
