Have you tried DVANZ DIT services in 2025?

How about a 25% discount off the kit price as a hello on some jobs together?

LATEST TECH....

—- MINI QTAKE on an Ipad — its is here.!!!

11" Ipad Pro with Video Assist custom software and hardware incl Teradek Bolt 6 receiver.

Features such Auto recording, pinch to zoom, mask, in and out points, wireless video output to 2nd display, calibration and more. Compatible with Teradek Bolt 6 and 4K systems.

Another unique feature is the ability to send all clips to the cloud via an iCloud link so as you offer the client to view what has just been shot. Note: 4G router is required and we have this as a rig option. This is an amazing time and cost saver for remote clients.

A Pro version with composting is also available with mix, overlay, logos from still or video sources.

Accsoon Cineview Master 4K.

We have started to use these on TV commercials as a great way to send out to the directors iPad and a further away client monitor. As well, remote streaming can be activated with our cellular 11" iPad Pro kit. Limited to sending to up to 10 iPads or monitors, it is great for jobs such as QTAKE and travel jobs. Teradek from camera to QTAKE then Cineview out to wireless directors and DoPs iPads as well as 2 other monitors for client.

M4 Mac mini Mobile DIT - battery powered Data Kit with powerful DIT features. When flying with Ecoflow is not possible, and you want to save overtime by downloading while driving to all Solid state drives. Our kits can be sent with up to 16TB SSD storage for out DIT copy.

As well we stock and sell at excellent prices, the very trusted **Samsung T7 Shield 4TB** SSDs.

Filming in Auckland? our DIT van is often equipped with a fast Mac Studio M2 high end DIT rig and powered by Ecoflow with a 400W solar panel on the roof. Mobile and fast.

Happy to offer very competitive prices and reconnecting specials to help your budgets.

We have been not actively seeking On set work for a few years for personal reasons and now we are back with new kit and I am keen to reconnect.
